WAYLAND WELLHEAD PROTECTION COMMITTEE

MEETING MINUTES (#76, by L. Segal)

September 29, 2010

Attendance: Sherre Greenbaum, Jennifer Riley, Tom Sciacca, Linda Segal,
Water Superintendent Don Millette
Location: Villa Restaurant, 48 East Plain St., Wayland, MA

Meeting convened at 1:30 p.m.

Appreciation luncheon for Water Superintendent Don Millette: WPC joined DPW office staff and employees to honor and thank Don Millette.

Old Business: Discussed volunteer hours at Wednesday, October 13, 2010 Russell's Farmers' Market. Confirmed next WPC meeting will be Oct. 14 with MassRWA to work on Wellhead Protection Plan (Happy Hollow wells).

Nov. 16, 2010 Special Town Meeting warrant articles: WPC discussed Town Planner's request for voted support from boards on proposed zoning bylaw changes before October 12, 2010 public hearing. WPC not willing to take a voted position on proposed Municipal Service Overlay District at former Septage Facility. WPC voted to support moving school buses off high school property (T. Sciacca motion, S. Greenbaum second, voted 4-0), but WPC does not know enough to vote on the proposed article, e.g. what other possible uses besides parking school buses are contemplated? Article is too broad and vague; consensus not to vote. WPC voted to support warrant article amending the Aquifer Protection District bylaw regarding impervious surface as recommended by DEP and to co-sponsor with the Planning Board (S. Greenbaum motion, J. Riley second, voted 4-0).

Adjournment: L. Segal made motion to adjourn, T. Sciacca second, voted approved (4-0). Meeting adjourned at 3:30 p.m.

(minutes approved on October 14, 2010)
