WAYLAND CELEBRATES “RIVERFEST”

“The River Comes Out Of Your Faucet”

Water, wildlife, and wonders! Join us for an exploration of the Sudbury River and the SuAsCo watershed. Learn how water comes and goes and what water flows from your faucet!

Meet native wildlife from [Mass Audubon’s Drumlin Farm](#) and discover the plants and animals (including humans) that depend on the health of the Sudbury River.

Presented by the [Wayland Wellhead Protection Committee](#) and *supported by a grant from the [Wayland Cultural Council](#) and the [Massachusetts Cultural Council](#).*

Sat. June 12, 2:00-4:00pm, at Old Town Bridge, off Rt. 27 at Wayland Country Club. Turn left and follow old road 600 ft. to end; park along side. In case of inclement weather, will be held at Wayland Public Safety Building, 38 Cochituate Rd (Rt. 27).
